Title: Exploring Open Educational Resources at Wheaton

Facilitator: Sue Wawrzaszek

Time: 1:30 - 4:30 p.m.

Location: Scholar's Lab, Wallace Library

Coffee and light refreshments provided during workshop.

Guest Speaker: Marilyn Billings, Scholarly Communication & Special Initiatives Librarian at the University of Massachusetts Amherst

Description: Could OER materials replace some of the traditional textbooks assigned for purchase? Join us for a discussion of open educational resources:

"OER are teaching, learning, and research resources that reside in the public domain or have been released under an intellectual property license that permits their free use and re-purposing by others. Open educational resources include full courses, course materials, modules, textbooks, streaming videos, tests, software, and any other tools, materials, or techniques used to support access to knowledge." Hewlett Foundation

Wednesday, May 20, 2015
